PES ANNOUNCEMENT FOR 2011 CHAPTERS MEMBERSHIP GROWTH CONTEST

To: PES Chapter Chairs

Your PES Chapter may be eligible to win the 2011 Membership Growth Contest and a cash award. Membership based numbers will be measured upon statistics from December 31st, 2010. This will be compared with the December 31st, 2011 to determine which chapters will be the winners of the contest.

All Chapters exceeding a **minimum quota of growth in higher IEEE grade PES members** will be eligible to participate in the contest final count after submitting nomination form.

There will be two categories for large (>100 members) to exceed 6% growth and small (≤100 members) chapters to exceed 10% growth.

Prizes for each category will consist of the following:

First Place: \$1,000
Second Place: \$ 500
Third Place: \$ 250

Contest is for calendar year 2011 and final results announced after review of the 2011 IEEE Secretary's Report in March, 2011. Participation in this contest is part of the consideration for the PES High Performing Chapter Program and Outstanding Chapter Award. Winner will be officially announced by April 15, 2011.

To be eligible you must return the form below by March 15, 2011 to:
