***IEEE Open Access Journal of Power and Energy (OAJPE)***

**Recent Improvements**

1. The editorial board has published guidelines for authors, reviewers and associate editors (AEs), which were developed by an OAJPE Task Force consisting of 6 experienced AEs.
2. The journal has received SCOPUS and ESCI indices in quick turnaround of 22 months.
3. Two EIC-invited sections were published in 2020 and 2021 with 14 (in 2020) and 13 (in 2021) invited papers from leading researchers and experts in the field.
4. A special section in collaboration with the leading conference in power quality (ICHQP 2022) will be anticipated to be published in 2022. The guest editorial board will invite 20 papers from 30 best conference papers to submit an extended and enhanced version to this OAJPE special section.
5. OAJPE initiated Outstanding AE award in 2021.
