

PES e-Newsletter Editor in Chief Search

PES is looking for an Editor in Chief for the PES e-Newsletter. Interested PES members holding the grade of IEEE Senior Member or higher who also have experience in PES Publications volunteer roles (a minimum of Associate Editor for a PES Transactions or Journals) should apply at PESEICapp@ieee.org by 11th December 2022.

Role Specifications: The PES e-News EiC works with PES Governing Board, PES' Chapter leads, WIP leads, YP leads and Technical Committees to curate content for the e-News update. He or she will form an Editorial team to assist in content curation and maintenance of the e-News update website and social media channels. Review of all submissions is required and if edits are made/required the EiC shall communicate that with the author.
