Why Should Societies Support Student Activities?
Benefits of Society Membership for Students Members

- **Chapters** = Best Resource for Technical content and place for Networking
  - Source of speakers with in-depth **technical knowledge**
  - Provide **technical seminars** suitable for Student and GOLD members
  - Student volunteers can **gain experience** by supporting chapter-organized workshops and conferences
  - Student members can **publish papers/hold lecture** at local chapter events
  - Joint events allow Student members to **network** with technical experts
  - **Introduce** Student members to the core of IEEE activities – technical activities, standards, etc.

  - **What can be more attractive?**
  - **What can we offer more?**
What Societies Can Do?

- Provide more responsibilities for Students
  - Student Positions
- Support Activities
- Provide Speakers
- Organize Student Competitions
- Provide Financial Support
