

**IEEE Transactions on Power Systems
Outstanding Reviewers for 2018**

1. M. Hadi Amini, Carnegie Mellon University
2. Ignacio Aravena, Lawrence Livermore National Laboratory
3. Bahareh Bagheri, Semnan University
4. Alberto Berizzi, Politecnico Di Milano
5. Darryl R. Biggar, Australian Competition and Consumer Commission
6. Siqi Bu, The Hong Kong Polytechnic University
7. Ron Chu
8. Masoud Davari, Georgia Southern University
9. Shahab Dehghan, University of Leeds
10. Andre Luiz Diniz, CEPEL
11. Yury Dvorkin, New York University
12. Waldir Freitas, University of Campinas
13. Michel Gilles, Intergraph U&C
14. Scott Harvey, FTI Consulting
15. Pierre Henneaux, Tractebel Engineering (ENGIE)
16. Maurice Huneault, IREQ
17. Shunji Kawamoto, Osaka University
18. Aram Kirakosyan, University of Waterloo
19. Yan Li, University of Connecticut
20. Eugene Litvinov, ISO New England
21. Zhaoxi Liu, University of Wisconsin-Milwaukee
22. Li Ma, China Electric Power Research Institute
23. Leonardo Martins, IBM Research
24. Federico Milano, University College Dublin
25. Md Salman Nazir, University of Michigan
26. Hrvoje Pandžić, University of Zagreb Faculty of Electrical Engineering and Computing
27. Alinson Santos Xavier, Argonne National Laboratory
28. Miadreza Shafie-khah, INESC TEC
29. Afzal Siddiqui, University College London
30. Aaron St. Leger, United States Military Academy
31. Tyler Summers, University of Texas, Dallas
32. Zefan Tang, University of Connecticut

33. Carson Taylor, Carson Taylor Seminars
34. Geraldo Leite Torres, Universidade Federal de Pernambuco
35. Costas Vournas, National Technical University of Athens
36. Cheng Wang, North China Electric Power University
37. Yi Wang, Tsinghua University
38. Zhaoyu Wang, Iowa State University
39. Wei Wei, Tsinghua University
40. Yafei Yang, Xi'an Jiaotong University
41. Junbo Zhao, Virginia Polytechnic Institute and State University
